

TECHNICAL DATA SHEET: LN2LTA200E-RO

XL TRIPLE ARM FULL MOTION TV WALL MOUNT WITH VESA EXTENDER ARMS

NEO protective pads: Our specially engineered NEO pads protect your TV from unwanted marks and scratches and also act as an extra layer of audio insulation preventing resonance and vibration from your speaker system from affecting your TV.

Triple Arms: The triple arm structure of your mount provides you with added strength and stability as well as improved manoverability.

Shaped Arms: Concave shaped arms, precision designed by our experienced design team to deliver the best, strongest andv most stable performance.

Spirit Level: Comes with an integrated spirit level to make installation accurate and more convinient. **Longer Reach**: Extended arms allow for this mount to have a longer reach than regular mounts. Comes out even further from the wall to give you even more viewing options.

Quick adjust lever: Raise the lever, adjust the tilt to the desired position then press the lever down. Simple and effortless allowing you to find the perfect viewing angle every time.

Attractive wall plate cover: Your mount effortlessly blends unobtrusively into any interior with the supplied wall plate cover.

Safety Locking screw: Peace of mind is guaranteed with our hard locking safety screw. Relax and enjoy your viewing without worry.

Vesa Extender Plates: Your mount functions in standard 200 VESA mode or add the included VESA extender plates to take it all the way up to 400 VESA for extra TV compatibility.

Multi colour design language: The new TV you just purchased is a work of art with or without a picture on the screen, Now your mount can be just as much a design feature as the TV its connected to!

5 Year Warranty: Our mounts are built to last. Each one comes with a 5 year warranty as standard. **Quality Construction**: Made with the highest quality components and over a decade of experience.
