TECHNICAL DATASHEET: HPSC1-R0 - Ross High Performance SCART Cable 1m

With the Ross High Performance cable range you have the highest quality digital video and audio cables for the sharpest picture, deepest colour and high resolution sound. With stylish design and quality construction the high performance range offers the maximum impact for a reasonable price. All high performance range cables ensure satisfaction is guaranteed.

**Specifications:**

A superb choice of cable for connecting TVs to SCART equipment such as DVD's, Sky boxes & free-view boxes to TV displays.

- This stylish Ross cable is 24K Gold plated SCART to SCART with chrome plates, zinc alloy shell with easy grip & the cable is protected by a PVC jacket & nylon braided shielding
- SCART plug to SCART plug, all 21 pins wired & supports Composite, S-Video & RGB picture quality, stereo audio sound & automatic signal switching
- Multiple shielding for maximum protection against Radio (RFI) & Electromagnetic (EMI) interference
- High quality Foamed Polyethylene (FPE) insulation for superior sound & picture quality
- 24K Hard Gold plated contacts for excellent corrosion protection
- Chrome plated metal connector with metal inner case for enhanced RFI/EMI noise rejection
- Superior flexible outer cable jacket avoids cable twisting & fracture

CONSTRUCTION & DIMENSIONS SHEET: HPSC1-R0 - Ross High Performance SCART Cable 1m

Head construction

The Ross High Performance SCART is constructed from a heavy die case metal head. 21 Pin connectors are 24K Gold plated contacts for maximum signal transfer. A heavy duty moulded strain relief aids easy connections and reduces wear on the internal connectors. A rugged protective metal housing with a premium finish for long lasting durability and style.

Cable construction

The Ross High Performance SCART cable is constructed from individually screened copper conductor. Protected by aluminium shielding, wrapped in foil tape shielding offering maximum coverage and added protection. This is all covered by a PVC protective jacket and a Nylon protective sleeve to provide toughness and durability overall providing a robust design that will last.
